

MULTI-SPORT COMFORT

Finally! Comfortable short pads for multi-sport athletes
from Elastic Interface® Technology

MAXIMUM PERFORMANCE

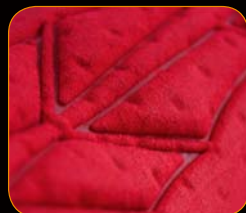

EIT's new Super-Tri pads have an all-new design specially developed to provide maximum performance and comfort for multi-sport athletes.

SLIM PROFILE

For the first time, multi-sport athletes will have a short insert with high density foam, which provides maximum protection with a slim profile.

ALL-WAY STRETCH

EIT's new Super-Tri pads with all-way stretch EIT fabric platform guarantee total freedom of movement and excellent fit.

All-new design specially developed for multi-sport athletes.

Air Version guarantees maximum ventilation.

Embossed logo.
