

TRI-PRO PAD™

FEEL THE EVOLUTION

MAJORS COLLECTION

Tri-Pro Pad™

Our new collection has been designed so you can pedal without limits. Heat, cold, and wind are elements you won't have to take into consideration. Cycling is a passion with no barriers. To achieve maximum performance, we developed the new Tri-Pro Pad™ by analysing five thousand different configurations on the saddle. It's the best pad we've ever pedalled on.

Tri-Pro Pad™: feel the evolution.
